

FREQUENTLY ASKED QUESTIONS?

1. Will there be someone to assist with games?

Yes. A Baseball City Staff member will coach and manage your party whether it is the Basehit or Homerun birthday package. Not only will the BC staff member organize the games and activities, but they will also assist in the party room as well. This is to ensure safe play at all times.

2. Can I bring decorations?

Unfortunately, we do not allow anything to be hung on the wall of our facility, however we provide you with a decorated table.

3. Can I run the party by myself?

No. You need a Baseball City host/hostess with you at all times. You absolutely need a staff member to assist you with setting up the batting cages, coordinating the activities, directing the actual birthday party (food, cake, gifts, etc.) and cleaning the party area. A Baseball City Staff member will also make sure your party guests are in a safe environment.

4. How do I reserve my party date?

You must call 527-CITY and reserve your date with a \$50 non-refundable deposit. For more information, access our website www.baseballcityct.com. Or if you have a general question, contact us at info@baseballcityct.com.
