MAJOR LEAGUE HITTING

MAJOR LEAGUE HITTING IMPORTANT FACTS

The Major League Hitting Clinic is geared toward the player who wants to take his game to another level over an 8 session, 4 week period (2 sessions per week). Each player's swing and mental approach will be broken down, analyzed and corrected. This clinic will feature video analysis by Major League's Right-View Pro, an advanced mental approach from instructors who have played at the highest levels, a breakdown of game situations and guest instructors who have played or coached at the Major League level. Don't miss this opportunity to learn from the best!!!

Baseball City has bats and helmets to use, but it is recommended to bring your own baseball equipment: fielding gloves, batting gloves, turf shoes (no cleats) and proper clothing.

Baseball City is the only place you'll need to go to satisfy all your baseball needs. We have year-round hitting, pitching and fielding in a professional facility, year-round professional instruction formulated by Bill Masse and his Professional curriculum and a fully stocked pro-shop for all your equipment needs. See why everyone is saying that Baseball City takes baseball training to a whole other level!!!!
